# FARMERS

Of the State Are Offering  
Prizes to Boys' and Girls'  
Corn Clubs Now.

**MORGANTOWN, May 30.**—Much interest is being shown over the state in the work of the boys' agricultural clubs and in order to stimulate the young people to even greater efforts many counties are offering as an additional prize a free scholarship to the local college winners' course to be given at the College of Agriculture at Morgantown, next winter. Monongalia, Taylor, Lewis, Randolph, Marion and Ohio counties have already arranged for these scholarships and the officials in a number of counties have expressed their intention of doing likewise.

Glenn Zinn, of Philippi, Barbour county, a farmer-student in the College of Agriculture is so much interested in this work and realizes so fully what a trip to the college will mean to any wide awake boy or girl, that he has agreed to pay all expenses of the champion corn grower of Barbour county on this trip to the college.

Many of the banks of the larger towns and cities have given substantial aid to the county organizers in making up the prize lists. The Union National Bank of Clarksburg has given \$200 for the prize list in Harrison county. The Quarter Savings Bank of Wheeling subscribed \$188 for Ohio county. The Farmers and Merchants Bank of Morgantown gave \$325, the Davis Trust Company of Elkins \$100, and a large number of other banks over the state have given smaller sums for the same purpose.

## SLANDER

And Malpractice is Charged against Physician by Sherman Robinson.

**PARKERSBURG, May 30.**—One of the biggest sensations in the history of Ritchie county has been caused by the bringing in the district court at Harrisville six suits of malpractice and slander against Dr. H. M. Rimer by Sherman Robinson, a member of the state legislature, his wife, Eva Robinson, and his daughter, Nell M. Robinson.

Each of the three brought two actions for \$25,000 damages, the total amount sued for being \$150,000. Mr. Robinson, who is one of the most prominent Republicans of West Virginia, alleges that Dr. Rimer, who is wealthy and is one of the leading physicians and surgeons in this district, had circulated a report that Robinson and his family were afflicted with an ailment of a serious nature.
